Dear Residents,

I am filled with sadness at the loss of another young life. It is hard to imagine the pain that is being felt, but I want everyone to know that my thoughts and prayers are with the young man's family as well as the Pacific Palisades community.

As many of you know, a meeting was held earlier this week to address traffic safety in the Palisades Highlands; specifically, along Palisades Drive and Sunset Boulevard. During this meeting, many of you expressed your concerns and contributed suggestions for improving the current road conditions. My staff, the Los Angeles Police Department and the Los Angeles Department of Transportation attended the meeting in order to answer questions and gather community input.

I want to assure you that my office is working diligently to address all these concerns and consider all of your suggestions. My field staff compiled a list of the proposals that were made during Monday's meeting.

To move proactively on your suggestions, I will moderate a community meeting at 8:00 P.M. next Wednesday, February 11, 2009 at Rustic Canyon Recreation Center. The focus of the meeting will be to discuss these ideas and receive feedback from the various City departments. The objective will be to identify actionable items, both short and long term.

Our aim is to prevent future tragedies. I hope that we can continue to work together to develop creative solutions for the benefit of our entire community.

Once again, thank you for contacting my office. We look forward to working with all of you.

Sincerely,

BILL ROSENDAHL
